

GOING 80 MPH DOWNHILL -
EXTREME?

**NOT WEARING SUNSCREEN,
NOW THAT'S CRAZY**

I'm Julia Mancuso, Olympic medalist and professional skier, and I apply sunscreen every day. I'm wearing orange to help put a spotlight on skin cancer.

Julia

Did you know snow reflects and intensifies the damaging rays of the sun? Sun exposure is the most preventable risk factor for skin cancer. To protect your skin apply sunscreen, seek shade, and wear protective clothing. Visit SpotSkinCancer.org.
